

Our Goals & Objectives

-  Demonstrate the benefits of rehabilitation and recreational exercise for individuals recovering from breast cancer.
-  Demonstrate a commitment to wellness through physical fitness and the building of personal strength and endurance.
-  Develop a strong sense of team based on mutual respect, support, physical activity, fellowship, laughter and common goals.
-  Increase awareness of breast cancer and advocate for breast cancer resources within the community.
-  Provide a positive community voice for breast cancer survivors and a community face to breast cancer as well as encourage others with breast cancer to lead full and active lives.
-  Support the Provincial, National and International Dragon Boating community.
